DASIEL BICHTE, an employe of Whoeley & Elware, city grading contractors, was abistent tilled by George E. Wisner, at Kamas City the other day. Wisner accursed filehol of insulting his wife. The coroner's jury held that Where was justifiable but he against the other evening. Dr. Thomas A. Gordon, a leathing not wealthy plushed to preliminary hearing.

Lake the other evening Dr. Thomas A. Gordon, a leathing not waithy plushed and retail fish dealer. The troube areas over a report that Dr. Gordon and attenute a celiminal operation upon in daughter of Stegge, which, however, the doct or denied.

Jons L. Franciscox, bookleeesper for the National limit of Kamas City, was recently accessed for emberding file, con at the funds of the bank by a system of false entires that he had been making for two years past. He had been with the bank for aven gens and was a trusted employe. He is only twenty-seven years of age.

Joseph W. Hone, predicate of the flowed to the region of a false which is twenty of what is known as the "chall plate" used by daily papers to illustrate the events of flieddy, which larention is now in general use in this country and Europe, and which made him favorus.

Hasday, which invention is now in gen-cral use in this country and Europe, and which made him fauous.

Die Hexnry S. Detre Lass, house sur-geon at the Kansas City houghtal, com-mitted swields the other day by taking poison. He had been much depressed where it an investigation of the hospulson. He had been much depressed owing to an investigation of the loss pital by the city council and the report of the committee somewhat reflected upon his habits. He finally killed him-self. He was thirty-three years old and very noming.

acif. He was thirty-three years old and very popular.

J. H. H. Hannost, a real estate man, was found on his docisteps at Kanias City the other airly in an unconscious condition. He had been evidently slugged by footpain and annaged to error with his home. He could give no account of his assailants or where attacked. It was evident that he had also been robbed as it was thought that he had consummated a land sale. A floorything what is evident to be the Keeley remedy for drustenness to several patients. He states that the Keeley formula was published in a certain medical journal about fifteen years aga, and that he preserved it with the latention of giving the remedy atrial when he could find a willing patient. He lately found a suitable subject who, it is claimed, has been cared of the ale hold habit.

The inter-state mining convention

The inter-size mining convention met at Springfield on the 15th with 200 delegates present, representing differ-ent countries in Missouri, northern Ar-kansas, Indian Territory and Kansas. The officers chosen were: Precipient, Rom W. M. Fichback, of Arkanson, first vice-president, Lient-tiov, Claycomb, of Missouri: secretary, J. E. Cohla Sprintfield, assistant accretaries, S. A. Williams, Fort Smith, Ark, and A. M. Haswell, Springfield, The convention continued three days.

rention continued three days.

H. H. Hottar, a queer old character, died at Jefferson City the other day. Iron diseases incident to old age. So far as is known he has no relatives living. He was born in New York some sixty-eight years ago, and for the last twenty-five years had been a resident of Jeffersson City, where until recently he kept a quiet resort that was ough reported by positicians from all period of the state. He had been blind for about a year, and had been blind for about a year.

BURNED AT SEA.

Losmon, Dec. 24 - The Gulon Line

Lessnor, Dec. 21—The Gulon Line steamer Alyssinia, which satiod from New York, Becomber 12, for biverpes), has been burned at sea. All on board were saved.

The news of the barning of the Atyssinia was brought by the steamer spree, which passed the Scillys this morning. She signaled that the Alyssinia was borred while in latitude 40 deg. north long, 20 deg. It is thought that, the passengers and crew of the Alyssinia are abourd the Spree.

The Spree is of the North German Libryl line and left New York December 16. She is the at Scotthamptoe to
